PRESS RELEASE

Loughton Building Design Awards 2027

NOMINATIONS are invited for this annual awards scheme, looking to celebrate good design and give public recognition to recent local building projects in Loughton that make a positive contribution to the local environment. As a Town Council, we continually seek to protect and enhance our town and reward those individual examples of good design and construction and/or sympathetic restoration.

Residents, architects, developers, building contractors and owners are all encouraged to nominate their favourite building projects that were completed within the last two years. If there's a new development, whether commercial or residential, or a refurbished property that has caught your eye and deserves to be celebrated, this is an opportunity to send in your nomination. Schemes can be large or small – from a simple alteration to a large new development.

The closing date for nominations is Friday 29 January 2027, with presentations to the award winners made at the Annual Town Meeting on Wednesday 17 March 2027 in the Murray Hall. Nomination forms can be downloaded from our website using the link below:
LBD nomination form 2027.docx

The judges, Cllr Stephen Harriman, Town Mayor, Cllr Carol Davies, Chairman of the Planning & Licensing Committee, and Cllr Chris Pond, Chairman of the Environment & Heritage Committee are looking forward to receiving your nominations for 2027, as no award was made last year.

Previous winners have included:

2023 Winner: 49 Church Lane

2016: Staples Road Primary School
