

# COME TO THE BROADWAY

Something for everyone!

Map  
Inside

“Architecturally  
unique”

The Broadway, near Debden Station, looks much as it did when completed in 1954, a gentle crescent with broad pavements and trees, looking down to the fields beyond. Its architects added the decorative sculptures above Brickclamps Path - unique to The Broadway.

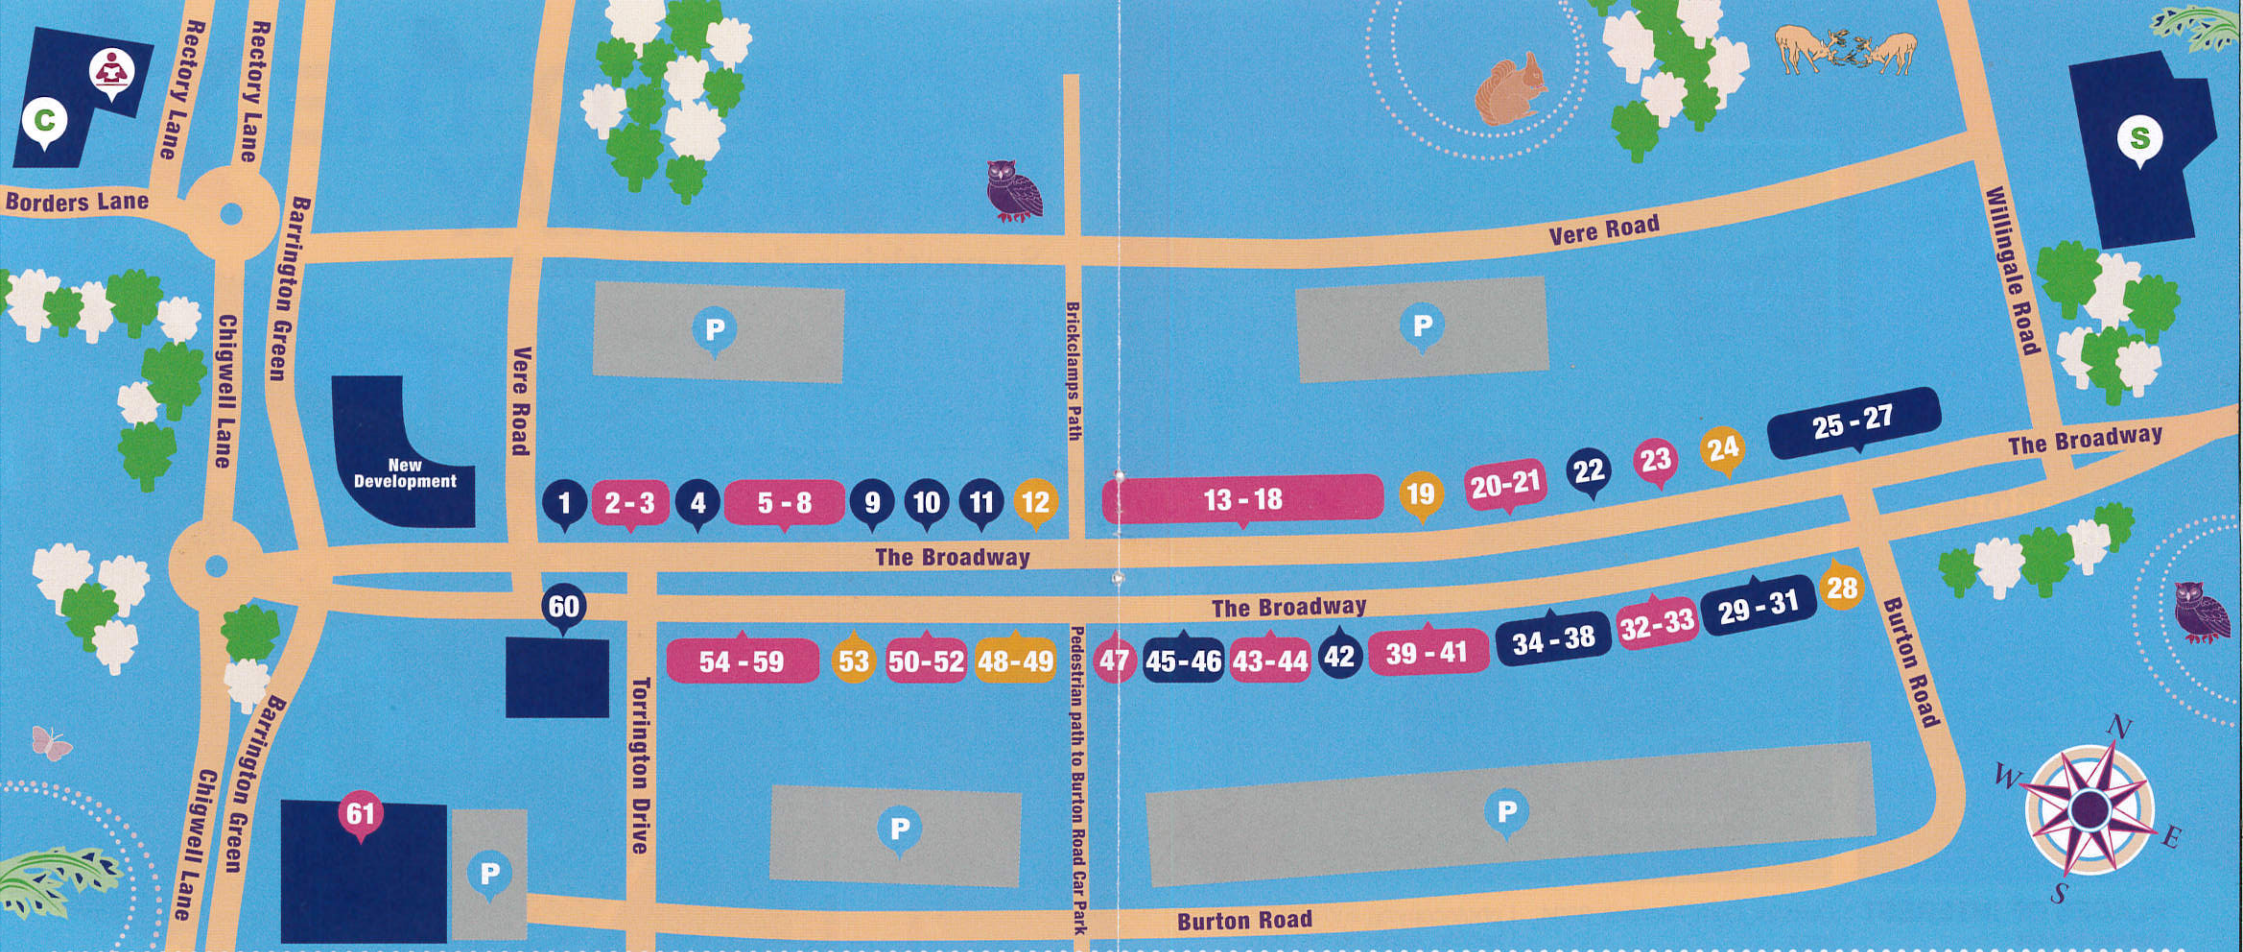

It still has traditional shops - butcher, greengrocer, pet shop, hardware, electrical, florist, baker, hairdressers, chemists, a range of eateries (*with a pie & mash cafe*) - plus more recent offerings such as healthcare practitioners, charity shops, and a veterinary surgery. There is a strong sense of

community and continuity, especially at the small market held on Thursdays.

There is plenty of affordable parking behind the shops in Burton Road, and it's well served by trains and buses. Why not make The Broadway your next shopping destination!
