1 General

- 1.1 These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. The Council is responsible in law for ensuring that its financial management is adequate and effective and that it has a sound system of financial control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the Council meets those responsibilities.
- 1.2 The Responsible Financial Officer (RFO) is a statutory office and shall be appointed by the Council. The Town Clerk has been appointed as RFO for this Council and these regulations will apply accordingly. References to the RFO in the Financial Regulations in respect of specific duties (rather than overall responsibilities) shall be taken as extending to "or other delegated officer". The RFO, acting under the policy direction of the Resources and General Services Committee (RGS), shall administer the Council's financial affairs in accordance with proper practices. The RFO shall determine on behalf of the Council its accounting records and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the Council are maintained and kept up to date in accordance with proper practices.
- 1.3 The RFO shall produce financial management information as required by the Council.

- 1.4 At least once a year, prior to approving the Annual Governance Statement, the Council shall conduct a review of the effectiveness of its system of internal control, which shall be in accordance with proper practices.
- 1.5 In these financial regulations, references to the Accounts and Audit Regulations or 'the regulations' shall mean the regulations issued under the provisions of section 27 of the Audit Commission Act 1998, or any superseding legislation, and then in force unless otherwise specified.
- 1.6 In these financial regulations the term 'proper practice' or 'proper practices' shall mean those which are referred to in the guidance to the relevant statutory Regulations.
- 1.7 Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

2 Annual Estimates (Budget) and Precept

- 2.1 Commencing in the autumn, each committee having power and intending to incur expenditure shall formulate proposals for revenue services (including fees and charges) and capital costs, including the use of reserves and sources of funding, for the ensuing financial year. To facilitate this process the RFO shall prepare detailed estimates of all income and expenditure for the year, including the use of reserves and all sources of funding, to be considered by the committees. Committees whose only expenditure is a service cost recharge from central costs and which have no income will not be required to formulate such proposals. The committees' proposals will be submitted to RGS Committee normally by the end of November, or in accordance with the date of the RGS Committee (budgets) as shown in the agreed schedule of meetings.
- 2.2 The RGS Committee shall review the committees' estimates taking into account the Council's overall financial position and shall recommend to the Council, normally by the end of January, the precept to be levied for the ensuing financial year. The Council shall set the amount of the precept. The amount of the precept shall be notified to the billing authority, along with any supporting information required by statute.
- 2.3 Once agreed, the estimates become the committees' budgets for the following year and form the basis of subsequent financial control.

3 Budgetary Control and Monitoring

- 3.1 Expenditure on revenue items may be incurred up to the amounts included in each approved committee budget for that class of expenditure.
- 3.2 If a committee wishes to incur expenditure which cannot be met from the amount provided under the appropriate budget heading then it may make a virement from another heading under its control. If the committee does not wish or is not able to make a virement then it must submit a request with supporting information to RGS Committee for a supplementary estimate, the costs to be met from the Council's resources.
- 3.3 Each spending committee shall receive periodic reports on its income and expenditure to date under the approved budget headings. The RFO shall report on any anticipated departures from the budgets and the committee will consider what action, if any, is required.

- 3.4 Expenditure may be incurred on behalf of the Council if in the Town Clerk's opinion it is necessary to carry out any repair replacement or other work which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to a limit of £5,000. Any necessary expenditure in excess of this limit must be referred either to the Town Mayor or Deputy Town Mayor, or the Chairman or Vice Chairman of RGS Committee or of the committee under whose aegis the item falls. Any such action is to be reported as soon as practicable thereafter to the appropriate committee.
- 3.5 Where expenditure is incurred in accordance with regulation 3.4 above and the sum required cannot be found from within the committee's approved budget, it shall be submitted to the RGS Committee for approval of a supplementary estimate.
- 3.6 No expenditure shall be incurred in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the committee concerned is satisfied that the necessary funds are available or the requisite borrowing approval has been obtained.
- 3.7 All capital works shall be administered in accordance with the Council's standing orders and financial regulations relating to contracts.
- 3.8 Unspent provisions in the budget shall not be carried forward to a subsequent year unless placed in an earmarked reserve.

4 Accounts and Audit

- 4.1 The RFO shall determine the Council's accounting systems, form of accounts and supporting records in accordance with best practice and the requirements of the Accounts and Audit Regulations or any subsequent amending legislation and any other relevant legislation.
- 4.2 The RFO shall maintain an adequate and effective system of internal audit of the Council's accounting, financial and other operations in accordance with proper practice. Any officer or member of the Council shall, if the RFO or internal auditor requires, make available such documents of the Council which relate to their accounting and other records as appear to the RFO or internal auditor to be necessary for the purpose of the audit and shall supply the RFO or internal auditor with such information and explanation as the RFO or internal auditor considers necessary for that purpose.
- 4.3 The internal auditor shall be appointed by and shall carry out the work required by the Council in accordance with proper practices. The internal auditor, who shall be competent and independent of the operations of the Council, shall report to the Council in writing or in person on a regular basis with a minimum of one annual written report in respect of each financial year. The RFO shall circulate copies of the report to all members of the Council. In order to demonstrate objectivity and independence, the internal auditor shall be free from any conflicts of interest and shall have no involvement in the financial decision making, management or control of the Council.
- 4.4 The RFO shall ensure the Council's annual accounts are completed in accordance with statutory requirements as soon as possible after the end of the financial year, and shall present the accounts and any accompanying report to the Council by 30th June.

- 4.5 The RFO shall make arrangements for the opportunity of inspection of the accounts, books, and vouchers and for the display or publication of any Notices and statements of account required by the Audit Commission Act 1998 and the Accounts and Audit Regulations.
- 4.6 The RFO shall ensure that arrangements are made for the annual external audit in accordance with statutory requirements and that the auditor is supplied with all necessary information to carry out the audit.
- 4.7 The RFO shall bring to the attention of the RGS Committee any significant correspondence or report from the auditor (internal or external).
- 4.8 The principles of separation of duties will be observed where possible in respect of financial transactions.

5 Banking Arrangements

- 5.1 The Council's banking arrangements shall be made by the RFO and approved by RGS Committee, and shall be reviewed as necessary.
- 5.2 The Council shall operate such bank or other accounts as it considers necessary and appropriate for the efficient conduct of its business. A current account shall be used for the payment of the Council's bills, and cheques and other orders drawn on this account will require the signature of two members from a pool to be determined by the RGS Committee.
 - 5.2.1 Additionally, with regard to the Chip and Pin Banking Facility operated on this account, the Town Clerk and in her absence the Deputy Town Clerk shall be authorised to complete the end of day reconciliations and make refunds on credit and debit card payments where required.

- 5.3 A second account shall be operated on an imprest basis at a figure to be set and reviewed as necessary by the RGS Committee. This account shall be used primarily for (i) the payment of salaries and related payments and (ii) for payment of small bills or those requiring payment prior to invoice, or for urgent payments. The limit of payments made under (ii) shall be set and reviewed by RGS Committee. Signatories on this account shall be any two people, from the pool as in 5.2 above plus the Town Clerk, Deputy Town Clerk and one other officer.
- 5.4 The operational parameters of any further accounts to be operated by the Council shall be set by the RGS Committee. Accounts which are operated by the Council and on which officers are signatories shall be operated on an imprest basis at a figure to be set and reviewed as necessary by the RGS Committee.
- 5.5 Transfers between any account (except on any accounts on which officers are signatories) and the current account may be effected by officers. A transfer into any accounts on which officers are signatories shall be treated like a cheque on the current account and shall require two member signatures.

- 5.6 Bank statements shall be received on a regular basis and reconciled with the Council's books.
- 5.7 The balance on the current account shall be kept at a minimum level commensurate with ensuring sufficient liquidity to meet the Council's commitments.

6 Payment of Accounts

- 6.1 All payments other than petty cash shall be effected by cheque or other order drawn on the Council's bankers.
- 6.2 Accounts for payment shall be checked to ensure they match the official order, that the goods, services or works have been received and are satisfactory and that the account is arithmetically correct. The RFO shall then authorise the account for inclusion on the schedule as in 6.3. Accounts which are in order shall be paid as soon as possible in accordance with the Council's procedures.
- 6.3 A schedule of accounts for payment will be drawn up on a regular basis. Cheques will be written and signed in accordance with the schedule.

- 6.6 The signatories of the cheques shall sign the schedule to indicate confirmation of the details on the cheque and agreement with the schedule of accounts for payment.
- 6.7 A report of the total of payments made since the last meeting will be made to RGS Committee. The schedules of accounts for payment included in that total and information to support the payments will be available for inspection at the meeting.
- 6.8 If an urgent payment is necessary, in order to avoid a charge for interest under the Late Payment of Commercial Debts (Interest) Act 1998 or for other urgent reasons, then as long as there is no reason to withhold payment the RFO will take all necessary steps to settle such invoices.
- 6.9 If thought appropriate by the Council, payment of accounts may be made by variable Direct Debit provided that the initial instructions are signed by two members from the pool of authorised cheque signatories and any payments are reported to Council or a committee as made. Use of a variable Direct Debit shall be reviewed on a regular basis.

7 Petty Cash

- 7.1 A petty cash float up to a limit specified by RGS Committee may be held to defray small expenses. A separate account of the petty cash shall be kept and vouchers supplied to substantiate the payments.
- 7.2 A cheque to maintain the petty cash float shall be drawn on the current account in the normal way.
- 7.3 Cash income should not be paid into the petty cash float other than for insignificant sums received for miscellaneous purposes.

8 Payment of Salaries and Other Employee Related Payments

- 8.1 The Town Clerk shall make salary and other payments to employees in accordance with the agreed rates of pay and other allowances, and shall ensure deductions are made as required. Payments to other bodies shall be made as necessary in respect of income tax, National Insurance, pensions and any other requirements. The appropriate records shall be maintained and periodic returns made as required by other bodies.

11 Orders for Work, Goods and Services

- 11.1 An official order or letter shall be issued for all goods, services and works supplied to the Council unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained.
- 11.2 Order books shall be controlled by the RFO.
- 11.3 All members and officers are responsible for obtaining value for money at all times. An officer issuing an official order shall ensure as far as reasonable and practicable that the best available terms are obtained in respect of each transaction, usually by obtaining three or more quotations or estimates from appropriate suppliers, subject to any de minimis provisions in Regulation 12 below. The officer shall accept the quotation which is, in his opinion, the most satisfactory one. Purchases made through a recognised local authority supplier which has been subject to a prior competitive procedure shall not require additional quotations or estimates.
