

PRESS RELEASE

Heritage Open Days 6 – 9 September 2018

Every year in September, Heritage Open Days celebrates England's rich architecture, history and culture. Thousands of buildings of every age, style and function open their doors free of charge. Many of these places are normally closed to the public, while others usually charge for admission. But Heritage Open Days is not just about opening buildings. The programme also includes many activities that bring to life the stories and traditions that make places, communities and neighbourhoods so special.

This year the Town Council has registered with the event to stimulate both local interest in the town's heritage and to attract visitors from outside Loughton. We are grateful to the following local organisations that are taking part:

	Event Opening Times
