- 10.9 Where any significant sums of cash are regularly received by the Council, the RFO shall take such steps as are agreed by the Council to ensure that more than one person is present when the cash is counted in the first instance, that there is a reconciliation to some form of control such as ticket issues where relevant, and that appropriate care is taken in the security and safety of individuals banking such cash.
- 11 Orders for Work, Goods and Services**
- 11.1 An official order or letter shall be issued for all goods, services and works supplied to the Council unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained.
- 11.2 Order books shall be controlled by the RFO.
- 11.3 All members and officers are responsible for obtaining value for money at all times. An officer issuing an official order shall ensure as far as reasonable and practicable that the best available terms are obtained in respect of each transaction, usually by obtaining three or more quotations or estimates from appropriate suppliers, subject to any de minimis provisions in Regulation 12 below. The officer shall accept the quotation which is, in his opinion, the most satisfactory one. Purchases made through a recognised local authority supplier which has been subject to a prior competitive procedure shall not require additional quotations or estimates.
- 11.4 A member may not issue an official order or make any contract on behalf of the council.
- 11.5 The RFO shall verify the lawful nature of any proposed purchase before the issue of any order, and in the case of new or infrequent purchases or payments, the RFO shall ensure that the statutory authority shall be reported to the meeting at which the order is approved so that the minutes can record the power being used.

- 12.3 The Public Contracts Regulations 2015
- a. Where the Council intends to procure or award a public supply contract, public service contract or public works contract as defined by The Public Contracts Regulations 2015 (“the Regulations”) which is valued at £25,000 or more, the Council shall comply with the relevant requirements of the Regulations¹.
 - b. The full requirements of The Regulations, as applicable, shall be followed in respect of the tendering and award of a public supply contract, public service contract or public works contract which exceed thresholds in The Regulations set by the Public Contracts Directive 2014/24/EU (which may change from time to time).

- 12.5 Such invitation to tender shall state the general nature of the intended contract and the RFO shall obtain the necessary technical assistance to prepare a specification in appropriate cases. The invitation shall in addition state the name and address of the person to whom tenders must be addressed and the last date and time by which those tenders should reach that person in the ordinary course of post, and that the tender should be enclosed in a plain sealed envelope

¹ The Regulations require Councils to use the Contracts Finder website to advertise contract opportunities, set out the procedures to be followed in awarding new contracts and to publicise the award of new contracts

bearing the word "Tender" and the title of the contract but no name or mark indicating the sender. The sealed envelopes shall remain sealed until the prescribed date and time for opening tenders for that contract.

- 12.6 All sealed tenders shall be opened at the same time on the prescribed date by the Town Clerk in the presence of at least one member of the Council. A record of all tenders received shall be maintained. Subject to 12.6 and 12.9 below, the officer(s) and/or member(s) authorised to make the decision shall accept the tender which is, in their opinion, the most satisfactory one.

- 12.8 Any invitation to tender issued under this regulation shall contain a statement to the effect of Standing Order 31 as if the person making the tender were a candidate for appointment and shall refer to the terms of the Bribery Act 2010.
- 12.9 When the Council is to enter into a contract less than £50,000 in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are excepted as set out in paragraph 12.1 the RFO shall obtain three quotations (priced descriptions of the proposed supply); where the value is below £10,000 and above £2,000 the RFO shall strive to obtain three estimates. Otherwise, Regulation 11.3 above shall apply.
- 12.10 The Council shall not be obliged to accept the lowest or any tender, quote or estimate.
- 12.11 Should it occur that the council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the Council requires further pricing, provided that the specification does not change, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.
- 13 Payments under contracts for building or other construction works**
- 13.1 Payments on account of the contract sum shall be made within the time specified in the contract by the RFO upon authorised certificates of the architect or other consultants engaged to supervise the contract (subject to any percentage withholding as may be agreed in the particular contract).
- 13.2 Where contracts provide for payment by instalments the RFO shall maintain a record of all such payments. In any case where it is estimated that the total cost of work carried out under a contract, excluding agreed variations, will exceed the contract sum by 5% or more a report shall be submitted to the relevant committee.
- 13.3 Any significant variation or addition to or omission from a contract must be approved by the relevant committee and the approval given to the contractor in writing, the committee being informed where the final cost is likely to exceed the financial provision.
