6 March 2025 - No 27

Once again our dedicated team of eleven Wombles were out on the morning of Saturday 15 February 2025 working hard to clear Lady Mary's Path linking Borders Lane and Rectory Lane. In addition they cleared Rectory Lane slip road running from E15 Acting School down past St Nicholas church towards Borders Lane. As you can see from the photos lots of bags of rubbish were collected. We thank you for your great support.

Our next litter pick will be on Saturday 22 March 2025. Meeting points to be advised nearer the time. Please let us know of any hot spots you see which need the attention of the Loughton Wombles.

Once again, a reminder to only **half fill each black bag** given the wide variety of rubbish and heavier items, it will make them easier to lift.

Thank you. We look forward to seeing you soon,

Regards Debbie & Mark
