

## Loughton Wombles Newsletter

**3 April 2025 - No 28**

Once again our devoted Wombles were out on the morning of Saturday 22 March 2025 working hard. Mark's team litter picked Hillyfields, which is turning into a regular stretch, as it always seems to be bad. Stephens group litter picked the footpath running along the railway line behind the postal sorting office and Debden station. We thank you for your great support.

Our next litter pick will be on Saturday 12 April 2025. Meeting points to be advised nearer the time. Please let us know of any hot spots you see which need the attention of the Loughton Wombles.

Finally, two members of our office had to remove these fly tipped bags (photo below) this morning from Hillyfields, laziness and an expectation that someone else will clear up their waste are the key reasons for fly-tipping, but our Officers quickly removed it to avoid the pile being added to.

We look forward to seeing you soon,

Regards    Debbie & Mark
