

## Loughton Wombles Newsletter

15 May 2025 - No 29

Loughton Wombles were out again on Saturday 12 April 2025. Mark's team litter picked near to Debden Park High School, and Stephen's group litter picked in and around Torrington Drive. As ever we thank you for your great support.

Our next Wombles event will take place on Saturday 24<sup>th</sup> May. We have received a kind invite from Oakland Care, Woodland Grove, along Rectory Lane, for Loughton Wombles to come in on Saturday 24<sup>th</sup> May at 10.45am for coffee and croissants as a mark of appreciation for all our litter picking along the alley and around their premises on past occasions.

We would suggest that those who wish to attend meet at the Care Home entrance at 10.45am. We will combine our groups to litter pick in this vicinity and finish at the same place. Mark's group will start at 10am will head down Rectory Lane (as we've been notified that there is an area which needs clearing outside Landmark House) and Stephen's group meeting at 10.45am will litter pick the Lady Mary's Path after the coffee and croissants (or straight away, whatever your preference)

Future litter picks dates for your diary.

- 21 June
- 6 July (Jessel Green Day)
- 26 July
- 23 August

We look forward to seeing you soon. Please let us know whether you will be attending on the 24<sup>th</sup> and also whether you will be joining us for coffee and croissants?

Regards Debbie & Mark
