

Loughton Wombles Newsletter November 2022 - No. 6

Loughton Wombles successfully carried out their sixth group litter pick on Saturday 15 October 2022. We had a great response to our request to litter pick on this date, so we split into two teams. Group 1 – 5 Wombles met outside Loughton Station and carried out a great job litter picking the Great Eastern Path. Group 2 – 8 Wombles met at Thomas Willingale School and litter picked Torrington Drive and the surrounding area up to Sainsburys and also covered the area near to the brook.

Our next group meeting will be on Saturday 3 December 2022, meeting point to be confirmed.

Once again may we thank you for your support, remember teamwork makes the dream work!

Regards Debbie & Mark
