

PRESS RELEASE

Financial Assistance for Loughton organisations Closing Date is 31 December 2023

Loughton's local groups, organisations and charities are invited to apply to the Town Council for financial assistance for the period from April 2024 – March 2025.

The closing date for receipt of completed applications is fast approaching and all grants need to be at the Council Offices at Buckingham Court, by 31 December 2023.

In this current financial year, we have helped 20 applicants totalling over £35,400 to improve or maintain their services to the local community. This sum includes the continued support for the Loughton Branch of the Epping Forest District Citizens Advice, which gives valuable free help and advice to all that request it.

If you are part of a local organisation that is delivering excellent work for local people in Loughton and require some additional funds, then an application form can be downloaded from [Financial Assistance app form 2024-25 REV.docx \(live.com\)](#) or contact the council offices for more information.

For more information contact:
