

2020 Christmas Window Competition

Following our website update on 30 October 2020, the Government subsequently announced that it is to put in place a month's lockdown resulting in the temporary closure of many local shops and businesses.

This will mean that the relatively small number of outlets that remain open will have a distinct advantage over the others which have been forced to shut their premises. We will therefore defer this competition and judging, until a further Government announcement is forthcoming in early December. At this point, there may or may not be a small window of opportunity to relaunch the competition depending on the information received.

Obviously it is a decision to be made by individual entities as to whether they create their own festive window displays but at this time there is no certainty that the Town Council competition will go ahead.

We will keep you posted.
