

## PRESS RELEASE

### Winners of the Christmas Window Competition 2021

Our thanks to all the Loughton businesses that decorated their windows and joined in the town's festive celebrations in this year's Christmas Window Competition. All Christmas-themed shop windows were automatically eligible for the competition which is split into four classes of entry – local/independent businesses, multiples/chain stores, charity shops and eateries (cafes, pubs and restaurants).

Due to the uncertainty caused by the pandemic, the competition was simplified this year with successful entrants being awarded certificates, and the category winners also receiving a bottle of champagne, kindly donated by Epping Forest District Council's Town Centres Department in order to promote local businesses during these difficult times.

The judges this year were Town Mayor, Rose Brookes, along with the Deputy Town Mayor, Barbara Cohen and Councillors Carol Davies and Stella Murphy, who were particularly impressed with the efforts made during such difficult circumstances. Congratulations to all the winners and businesses recognised, who are listed below.
