

Loughton Wombles Newsletter

6 November 2024 - No 23

Our Loughton Wombles teamed up on Saturday 27 October 2024, the first group led by Mark Squire met outside Staples Road school and tackled the litter in the surrounding roads near to the forest. The second group led by Stephen Murray cleared the housing greens around Rectory Lane Health Centre and Westall Road.

An interesting article we read recently from the Keep Britain Tidy Charity was about boycotting Black Friday this November and join “Nothing New Month”. This is a chance to reduce waste and make the most of what we have. It makes you stop and think about those Black Friday purchases, do you really need them? Could you make the most of what you have, reuse or even repair everyday items and in turn a chance to reduce waste. – worth a thought!!

Our next litter pick will be on Saturday 23 November 2024. Meeting points to be advised nearer the time. Please let us know of any hot spots you see which need the attention of the Loughton Wombles.

Once again, we thank you for your great support making Loughton a cleaner greener place to live.

We look forward to seeing you soon,

Regards Debbie & Mark
