

## Loughton Wombles Newsletter May 2023 - No. 10

Loughton Wombles carried out yet another successful group litter pick on Saturday 27 May 2023. This time, 11 wombles were out as two teams litter picking. Group 1, met at the corner of Pyrles Lane and Rectory Lane and litter picked the Hillyfields area.

Group 2, met at Debden Sainsbury's and headed up Rectory Lane.

Our next group meeting will be on Sunday 25 June 2023, at the Jessel Green Fun Day from 12 noon to 4pm, the meeting point will be at the Loughton Town Council Gazebo. This is a very busy, fun day in Loughton so your help would be much appreciated.

The following day, Monday 26 June 2023, we will meet again outside the Cottage Loaf Public House on Jessel Drive. We find that once the fun day finishes lots of families stay on the green for the evening picnicking so there is generally lots of litter the following day.

Once again may we thank you for your support, and for being a litter hero.

Regards

Debbie & Mark
