

Loughton Wombles Newsletter

15 April 2024 - No 19

The last Loughton Wombles outing was on Saturday 23 March 2024, meeting at the Loughton Town Council office and splitting into two groups:- one litter picking Englands Lane down towards Debden Lane and the other litter picking Hillyfields towards Pyles Lane. As you can see from the photos a successful morning's work.

It was the first outing for Juliet and her son Harvey who recently joined Loughton Wombles, they said they really enjoyed it and thought we are a lovely group of people. Harvey is volunteering in Loughton Wombles as part of his Duke of Edinburgh Bronze award – Good Luck!

Our next litter pick will be this Saturday 20 April. Group 1 - Stephen's group will meet at the corner of Marles Croft at 10.30am and litter pick along Oakwood Hill towards Langston Road (rubbish bags to be left on the corner of Marles Croft). Group 2 – Mark's group will meet at the corner of Rookwood Avenue and Willingale Road at 10am and litter pick along the brook (bags to be left on the grass verge on the corner of Rookwood Avenue and Willingale Road).

80th Anniversary of Normandy Landings – Beacon Lighting

Please diarise Thursday 6 June 2024 at 9.30pm, we invite you to come along and Womble at this event with your family and friends to see the Beacon Lighting at the top of Hillyfields as part of the national commemoration for the 80th Anniversary of the Normandy Landings.

Once again, we thank you for your great support. You really make a difference.

Regards Debbie & Mark
