Mark Squire TOWN CLERK 31 January 2024

Agenda item 10.1 Financial Assistance Applications 2024/25

As previously agreed, a Working Group of three Councillors and the previous year's Town Mayor, met with the Deputy Clerk on 29 January 2024 to consider the applications in detail and prepare recommendations for consideration by this Committee.

The Working party consisted of Cllrs Cohen; Murray; Owen and Wiskin.

In line with Council policy, at least ten per cent of the general grant budget would not be allocated as this is held back for emergency applications during the year.

<u>Declarations of Interest</u> – Will be provided to the committee prior to the meeting.

<u>Judging criteria</u> – the following principles were used in preparing these recommendations:

- How well the project met the needs of the local community and provided a positive benefit to a significant number of Loughton residents.
- How effectively the group would use the grant.
- Whether the costs were appropriate and realistic.
- · What level of contributions had been, or would be, raised locally?
- Whether the organisation or group should reasonably have been expected to obtain sufficient funding from another, perhaps more appropriate source.
- How the organisation or group was managed, as indicated by its constitution.
- For larger projects, was the proposal sustainable in the long term.

The table on the following page shows the details of the grants applied for presented to the Working Group.

The provisional amounts recommended by the Working Group will be provided prior to the meeting.

Please note, these are only provisional amounts, and the Committee is asked to review them.

Members' attention is also drawn to:

1. guidance issued by NALC regarding the 1984 Local Government Act which prohibits councils' involvement in 'property relating to the affairs of the church', e.g. the maintenance or improvement of the buildings or land or contributing to the costs. There is an absence of case law, which may have clarified whether later legislation overrides this 1984 specific provision. The Council should therefore, when considering a grant to a church, decide whether this is a prudent course of action.
