6 Financial Assistance Applications 2019/20

6.1 General Applications

Due to the high volume of applications received, copies of the grant applications for 2020/21 are provided separately in Appendix A. Members wishing to examine the complete set of the supporting papers are asked to contact the Assistant Town Clerk prior to the meeting. Information about the person making the application is supplied to the Council but not reproduced on the agenda for reasons of data protection.

The amount available for general applications in the budget for 2020/21 is £27,000, although it is Council policy to withhold 10% in case of emergency applications during the year.

The Committee is asked to consider the applications for 2020/21 together with the recommendations of the Working Group and confirm the amounts to be granted.

* See attached report (pages 7-8) and Appendix A.

6.2 Citizens Advice – Epping Forest District

In 2005/06 the Finance and General Policy Committee decided to include a separate budget item for a grant provision to Citizens' Advice. The budget for 2020/21 is £8,500. Details of this application are also provided in the supplementary agenda.

The Committee is asked to CONFIRM the level of grant to be awarded for 2020/21

7 Financial Regulations

7.1 Annual Review

The Committee is asked to note that the annual review of the Financial Regulations will be deferred to the next Resources and General Services Committee meeting as there have been some recent updates recommended by the National Association of Local Councils (NALC).

NB Any recommendations to amend the Regulations will need to be agreed by full Council.

The current regulations may be found on the Council's website at <https://tinyurl.com/ya4q29vf> Paper copies are available on request to the Council Office.

7.2 Financial Limits

The Committee is asked to review the financial limits below and decide if they are adequate.

Financial Assistance Applications 2020/21

As previously agreed, a Working Group of three councillors, the Chairman Cllr Jennings with Cllrs Angold-Stephens and Murray, met with officers on 29 January 2020 to consider the applications in detail and prepare recommendations for consideration by this Committee.

In line with Council policy, at least ten per cent of the general grant budget was not allocated as this is held back for emergency applications during the year.

Declarations of Interest – during the meeting of the Working Group, the councillors made the following declarations:

Cllr Jennings declared a non-pecuniary interest in the application from the Loughton Voluntary Care Association and Citizens Advice Epping Forest District.

Cllr Murray declared a non-pecuniary interest in the applications for Epping Forest Food Bank, Epping Forest Re-Use, Grow, Loughton Club, Loughton Festival, Loughton Voluntary Care Association, Love Loughton, New Vistas, Noah's Ark Play Group, Oakwood Hill Youth Club, Restore Community, South Loughton Cricket Club, Spark, St. Marys Church, Voluntary Action Epping Forest, Willingale Community Garden and Citizens Advice Epping Forest District.

Cllr Angold-Stephens declared a non-pecuniary interest in the applications for Epping Forest Re-Use, Grow, Loughton Voluntary Care Association, Noah's Ark Play Group, Oakwood Hill Youth Club, Restore Community, South Loughton Cricket Club, Spark, Willingale Community Garden and Citizens Advice Epping Forest District.

Judging criteria – the following principles were used in preparing these recommendations:

- How well the project met the needs of the local community and provided a positive benefit to a significant number of Loughton residents.
- How effectively the group would use the grant.
- Whether the costs were appropriate and realistic.
- What level of contributions had been, or would be, raised locally.
- Whether the organisation or group should reasonably have been expected to obtain sufficient funding from another, perhaps more appropriate source.
- How the organisation or group was managed, as indicated by its constitution.
- For larger projects, was the proposal sustainable in the long term.

The table on the following page shows the recommendations of the Working Group as to the amounts to be granted. Please note, these are only provisional amounts and the Committee is asked to review them, particularly those marked with an asterisk* where the members had concerns, and then confirm the amount awarded.

Members' attention is also drawn to:

1. recent guidance issued by NALC regarding the 1984 Local Government Act which prohibits councils' involvement in 'property relating to the affairs of the church', e.g. the maintenance or improvement of the buildings or land or contributing to the costs. There is an absence of case law, which may have clarified whether later legislation overrides this 1984 specific provision. The Council should therefore, when considering a grant to a church, decide whether this is a prudent course of action.
