PL640 Matters for Report

640.1.1 Notices of Appeal

EPF/1366/18 – 209 D/E High Road, Loughton, IG10 1BB – Proposal: Application for variation of condition 2 ‘plan numbers’ and 3 ‘use of rear double doors’ on planning application EPF/0808/17 (Erection of rear conservatory)

(Appeal ref no: APP/J1535/W/19/3219843) – Min no PL468.1

The Committee reiterated its previous comments which were:

The Committee OBJECTED to this application, reiterating its previous OBJECTION in respect of application, EPF/0413/18:

The Committee OBJECTED to this application on the grounds that it contravened Conditions 3 and 4 as stipulated by the Local Planning Authority in granting Planning Permission (with Conditions) for this

premises in respect of application EPF/0808/17: Erection of Rear Conservatory:

3) The rear double doors to the conservatory hereby permitted shall be for the use in an emergency only and at all other times when the premises are open to customers the doors shall be shut closed. There shall be signage above the doors inside the extension to make clear that the doors are for emergency use only.

Reason: to deter use of the open area to the rear of the premises by patrons and thereby avoid disturbance to occupiers of residential properties in accordance with Policy DBE9 of the Local Plan and Alterations.

4) There shall be no exterior lighting affixed to any external surface of the extension hereby permitted.

Reason: to deter use of the open area to the rear of the premises by patrons and thereby avoid disturbance to occupiers of neighbouring residential properties in accordance with Policy DBE9 of the Local Plan and Alterations.

Members commented that the proposed fencing and planting of bamboo would not negate the noise pollution and would be obtrusive and out of character; depending on the cultivar, the bamboo planting could be invasive.

Furthermore, the existing premises with its current level of clientele numbers were already causing a noise nuisance to the neighbours and together with the extraction fan disturbing nearby residents.

640.1.2 EPF/0162/18 – 11 Crossfields, Loughton, IG10 3PY – Proposal: Erection of new dwelling and detached garage, following demolition of existing garage.

(Appeal ref no: APP/J1535/W/18/3208248) – Min no PL563.3

The Committee reiterated its previous comments which were:

The Committee considered the amended plans for this application and reiterated its previous comments, which were:

The Committee OBJECTED to this application on the grounds that it was garden grabbing. It was a too cramped overdevelopment of the site, which would have a detrimental effect on the neighbours. The vehicle access arrangements were inadequate for the proposal and would be detrimental to the street scene. This was contrary to Local Plan and Alterations policies CP2(ii) and (iv), CP7, DBE1, DBE6 and DBE11(i), which are consistent with the National Planning Policy Framework.

Members NOTED that the removal of the garage in this revision further exacerbated the inadequate parking provision.

640.1.3 EPF/1012/17 – 12a Alderton Close, Loughton, IG10 2HQ – Proposal: Residential redevelopment to provide 4 x 3 bed houses – Min no PL563.1

(Appeal ref no. APP/J1535/W/18/3202935)

Members NOTED the information received from Epping Forest District Council.

The Committee reiterated its previous comments which were:

The Committee, whilst taking into consideration the reduction in the number of proposed dwellings, OBJECTED to this amended application, reiterating its original comments which were:

This proposal was considered garden grabbing and therefore contrary to National Planning Policies.

Members drew the Planning Authority's attention to the reasons cited for the refusal of the previous application for this location, EPF/0421/05. These stated that "the proposed vehicle access is of inadequate width to enable vehicles to pass and it is therefore unsuitable to serve two dwellings". The new proposal for ~~five~~ 4 x 3-bedroomed dwellings would bring such an increase in vehicle movements as to constitute a danger to highway safety.

The proposal would also have a detrimental impact on the neighbouring properties in Alderton Close and The Lindens contrary to Policy DBE2 of Epping Forest District Council's adopted Local Plan & Alterations.

640.1.4 EPF/2499/17 – 13-15a Alderton Hill, Loughton, IG10 3JD – Proposal: Demolition of houses at 13, 15 and 15a, Alderton Hill, and the erection of linked blocks, elderly persons apartments, with integrated care facilities (Use Class C2) with supporting amenity facilities, landscaping, 64 car spaces in undercroft parking at the rear and south side of the block and associated ground works.

(Appeal ref no: APP/J1535/W/18/3203410) – Min no PL632.2.1

Cllr Angold-Stephens reported that she had attended the public inquiry into this appeal on 26 February 2019 to give her comments, along with two other speakers. Three further days of the inquiry had been scheduled to follow.

The Inspector stated that because this application had implications for the Forest and the Special Area of Conservation comments would be sought from Natural England, however these were not expected until sometime in May 2019 and further information relating to the proposal would not be available until July/August 2019. A result into the inquiry was therefore not expected until autumn 2019.

PL641 Pre-application Consultation on Mobile Phone Masts – CTIL and Telefonica – Proposed base station upgrade at Oakwood Hill Streetworks, Loughton, IG10 3NB (ref: CTIL_136875 27 TEF 48817)
